

7-10 Celebrities

You will be doing an internet search on a celebrity of your choosing using google internet searches. Use keywords such as: biography, family, etc.

Directions:

1. Save your document as **(P2 or P4) 7-10 last first name.**
2. Include all of your normal header information.
3. Your text can be in any fonts, sizes, and colors you wish.
4. Use shapes, backgrounds, frames, reflections, picture frames, instant alpha, and mask to make your document look better.
5. The more creative the better grade you will get

Requirements:

- Three web site names and addresses (copy & pasted) that you got information from.
- Your celebrities full name.
- Their occupation (job).
- Their date of birth.
- Their parent's names.
- Their husband/wife's name (if they have one).
- Their children's names (if they have them).
- Identify what they are known for or why they are important.
- Identify at least two new things you learned about this person other than the information above.
- Include at least two pictures of your celebrity.
