

Each Slide Must Have

- ◆ Appropriate Text
- ◆ Picture

◆ Effects (automatic)

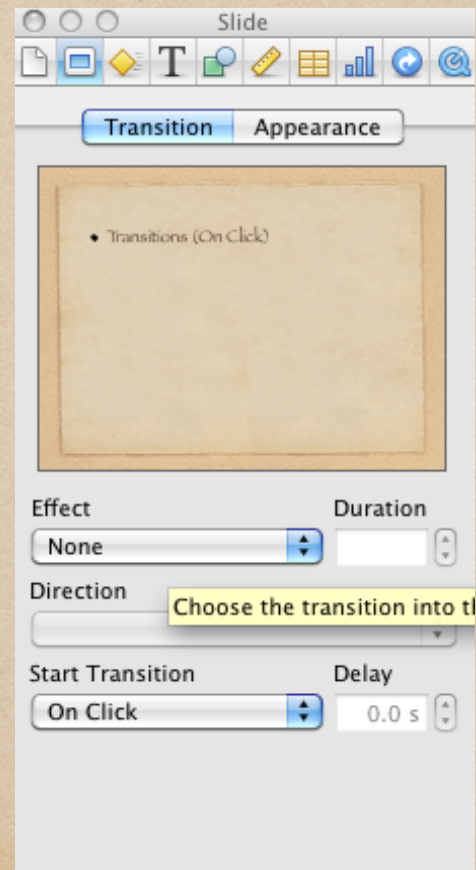

The image shows a software interface with two main panels. The left panel, titled 'Build Order', contains a table with the following data:

#	Object	Build
1	• Bullets	In

Below the table, there is a 'Start Build' dropdown menu set to 'On Click' and a 'Delay' input field.

The right panel, titled 'Build', features a toolbar with icons for file operations, a text tool, a selection tool, a grid tool, a bar chart tool, and a refresh tool. Below the toolbar is a preview window showing a square with a light brown background and a thin border, containing the text '• Effects (automatic)'. Below the preview window are three buttons: 'Build In' (highlighted), 'Build Out', and 'Action'. The 'Effect' section includes a dropdown menu set to 'Comet' and a 'by Object' dropdown. The 'Direction' section has a dropdown set to 'Left to Right' and an 'Order' dropdown set to '1'. The 'Color' section has a blue color swatch. The 'Delivery' section has a dropdown set to 'All at Once' and a 'Duration' input field set to '0.50 s'. At the bottom of the panel is a 'Close Drawer' button.
