

# How to Take Over the World

## in 10 Easy Steps

- \* Recruit an army of underlings to do all of the dirty work.

- \* Make outlandish promises of

wealth and power to your underlings to

insure their

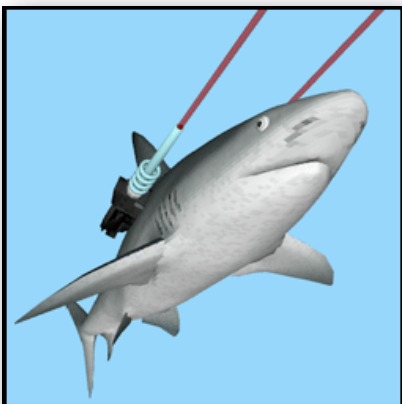

loyalty.

- \* Have your underlings

build you a secret lair

inside of a Volcano.

- \* Next have your underlings build you a

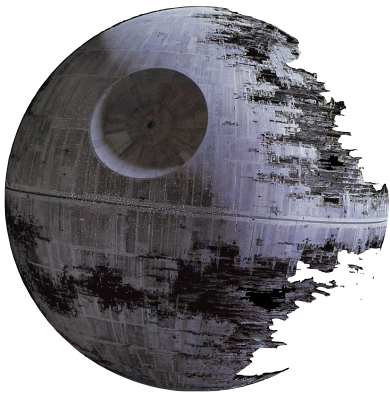

pool of sharks with lasers attached to them to

dispose of  your

enemies with.

- \* Next call the UN and demand 1 million dollars from them.

\*If they say no demand 1 billion dollars and laugh very evilly.

\*If the UN does not give you the money then create a second lair on the

moon and call it the "Death Star."

- \* Demand that the UN pay you the money again and laugh even more evilly while threatening to use the

"Death Star" and your evil shark men with laser

heads.

\* Unleash the fury of  
your "Death Star,"

army of underlings,

and your evil Shark Men with laser heads on the

world.

\* If that doesn't  
lawyer and sue!
