

## 7-5 Directions

You will create a list of directions over any topic you choose. These can be “How to...” or “Top Ten...” Each direction will need to have a bullet in front of it.

### Requirements:

- Open a blank Canvas and save your document as P(2 or 4) 7-5 last name first name.
- Create a text box and place 7-5 centered in your header centered.
  
- Place your name, period, and date in the right hand side of your header.
- Create a new text box and make it double Spaced.
  
- Choose any font, size, and color you wish.
- You should center and underline your title at the top of your paper.
  
- Your directions should be set to the left.
- You must have at least ten directions written in complete sentences.
  
- Each direction should have some type of bullet in front of it. (see my web site)
- Add multiple pictures of your steps.
  
- Include picture frames, shadows, or reflections
