

7-9 Survey

You will be conducting a survey and you will use the results to complete a table that you will make.

Directions:

1. Survey 7 people in the classroom with the following questions:

- A) What is your favorite class?
- B) What is your favorite movie?
- C) What is your favorite sport?
- D) What is your favorite book/magazine?
- E) What is your favorite TV show?
- F) Who is your favorite singer or band?

7-9 Survey

2. Open a **blank canvas** and save it as **(P2 or P4) 7-9 last name first name**
3. Complete the following requirements:

- Create a text box and type 7-9 in the center.
- Hit return and place your name, date, and period are on the right hand side.
- Drag the text box to the top of the page so it looks like a header.
- Create a new text box and place the title Class Survey under your header in any font, color and size you wish.
- You will need to create a table that has alternating row colors.
- You must decide how many rows and columns you will need.
- The questions you asked should be in the first row. (rows go across)
- The people you surveyed (first and last name) should be in the first column. (columns go up and down)
- Their responses should be included in the table.
- Each column should be centered.
- Each row should be the same height.
- Each person and their responses should have a different font than the other people you surveyed.
- Add in any backgrounds, colors, shapes, pics, you feel will make your document better.
