

8-5 Pros & Cons

You will pick one of the following topics and create a list of pros and cons for the topic. You will then write a conclusion saying if you are in favor or against the topic using supporting sentences from your lists.

Topics:

1. Four day school weeks with longer days.
2. No spring or winter break with a quicker end to the school year.
3. School uniforms for all students.
4. Lower the driving age to 14.
5. Punishment for parents of students who continually misbehave.

Requirements

1. Open a blank canvas and save your paper as P8 8-5 last name first name
2. Choose any font, size, and color you want for all info.
3. Create a text box to use as your header and title your paper 8-5 Pros & Cons
4. Your name, date, and period number should be placed in the right hand side of your header.
5. Create a new text box for your title. This should be the name of your topic.
6. Create a new text box to place your pros & cons in.
7. This text box should be double spaced.
8. You should create two columns (see my web site)
9. Your first column should be labeled Pros at the top center.
10. Your second column should be labeled Cons at the top center.

8-5 Pros & Cons

11. You should have six pros and six cons aligned to the left.
12. Each column, pros & cons, should have some type of bullet in front of it.
13. Create a new text box under your pros & cons to write your conclusion in. This should say
if you are in favor or against the topic and should be at least four sentences.
14. Add a background using your Shapes and Arrange tools.
