

8-8 Slide Show

You will be creating a keynote slide show on a movie character Hero or Villain of your choosing by doing an internet search using Google.

Requirements:

1. Save your slide show as **WS8 Last Name First Name**
2. Each slide has appropriate text.
3. Each slide has appropriate pics and or graphics.
4. Each slide has a Transition (on click).
5. Each slide has multiple Effects (automatic).
6. You must have at least one Action on your slide show.
7. You must have at least one Sound Effect on your slide show.

Slides:

- 1st: Hero/Villain's name & your first and last name.
- 2nd: Identify what movie they are from and a short description of the character.
- 3rd: Identify **three** specific actions that they did that make them a great hero/villain.
- 4th: Identify their allies or friends with a brief description.
- 5th: Identify their enemies and give a short description of them (ex. the Joker & Batman)
- 6th: Identify your sources (web sites) with links. **At Least 2**
