

Blizzard Bag Assignment 1

1. Go to bubbl.us and create an account.
2. Using the tools provided create a concept map about yourself.
3. This map should include 4 “child bubbles” coming from your name.
4. Each “child bubble” should have two child bubbles of its own.
5. Make sure to save your child bubble. Look for this button at the top of the screen.
6. Refer to the example below.
